Vocabulary

We can use computers for drawing lots of different things, with lots of different colours and types of brushes.

We can use digital tools to create art pieces in the style of famous artists such as Piet Mondrian.

Henri Matisse is another famous artist we can use digital painting to create art pieces like his.

Digital painting can also include using the paint button, spray button, pencil and lots of other features.

Paintbrush - brush used to apply paint.

Undo - cancel or reverse an action.

Erase - rub out or remove.

Primary colours - red, blue and yellow.

Fill tool - large amounts of colour to fill a shape.

Brush style - different types of paintbrush or pencil size.

Pointillism - style of painting that involves small dots (points).
