Vocabulary

We already know that there are 2 verbs in Spanish that mean 'to be' - Ser and Estar. Estar describes position.

Prepositions are words that describe where something is.

Wally está... **Wally is...**

...debajo de la mesa.

...under the table.

...detrás de la silla.

... behind the chair.

...sobre  
la cama.

... on the bed.

...delante de la  
ventana.

...in front of the window

...al lado del armario  
...next to the wardrobe

la lámpara está  
encima de la  
cama.

...above the bed.

For masculine nouns

de + el changes to the contraction **del**
