About Cronton CE Primary School

Our mission is:

To provide a wide range of outstanding educational and life experiences so that every child can attain their full potential within a happy and Christian environment based on Christian values.

Our school is both happy and welcoming, and the education the children receive is of an extremely high standard. It is a place of happy memories and enjoyable learning, where all children are given a chance to shine and to leave the school as well-rounded individuals prepared for the future.

We aim to give our children a firm foundation in the skills needed to succeed. Our curriculum teaches them to be literate, numerate, creative and to possess technology skills, so that they can discover information for themselves within a safe, purposeful and open learning environment.

Our curriculum also provides a wide range of enrichment and experiences. This enables our children to gain knowledge and understanding of the world around them and value the opportunities that they have. Key to this is developing our children as life-long learners who are confident and motivated to learn, who can develop their own individual abilities and discover their talents, so that they can achieve success that is recognised and celebrated.

We are proud of the relationships we have with our parents /carers and always work in partnership to support the development of their child or children.

Key to all this is recognising and celebrating our staff. We value CPD and develop the skills and knowledge of all staff who are committed to having an impact on the children we teach and families we serve.

ETHOS AND VALUES

As a distinctly Christian school, we aim to teach every child to be considerate and respectful of themselves, others and the environment and to always lead by example, demonstrating our belief in the Christian values.

Our school enjoys strong links with the church, and this allows everyone to learn about and practice Christian beliefs, and all are invited to take part in its community life. The

school is committed to respecting the personal values and beliefs (religious or otherwise) of parents/carers and children.

Our school values are underpinned by our Christian beliefs and values for life. The Christian Values are chosen by the children and this year are:

Generosity, Justice, Wisdom, Compassion, Forgiveness, Trust

We aim to develop children's spiritual maturity enabling them to take responsibility for their own actions and to understand the needs of others. Giving children opportunities to reflect with awe and wonder on what they learn in school and the world around them and fostering their spiritual development. Throughout their time at Cronton C. E. School children are encouraged to express experiences, feelings, questions and ideas in their own words.

Our school motto - "BEST"- sums our vision and mission up and ensures that our children:

Believe - to have faith in God, oneself and others

Enjoy - to be happy, secure, confident and independent.

Succeed - for every child to be well motivated, develop their potential and experience success.

Together - to be part of the community, locally, nationally and globally; to be well mannered, disciplined, sociable, caring and respectful.
