

Christian Value - Our Christian Value this half term is Truthfulness

Dear Parents,

How lovely has the weather been this week, the sun has been shining, and the children have been playing on the field almost every day! The sound of laughter and fun has been a joy to listen to. The children are really enjoying our new replenished equipment, playground zones and space to play. Thank you Mr Doyle for leading on this and ensuring our children experience a range of sports and games during playtimes and lunch.

Parents this is now a shout out for you! We have met with our school council and gathered views from the children and the message is clear. The field needs some attention to enable us to use it more than the pockets of time when it is sunny. Do you have a skill in gardening, block paving or constructing wooden houses? If this is you, we need your help. We are keen to create a working party to uplift, improve and redesign our field space for all our children. If you feel you can help, please reach out and respond to our communications next week. Thank you in advance for any help you can offer our lovely school and children.

As you aware we are moving towards digital communication for our parents and community. There will be communications today and next week regarding moving over to school spider and then DOJO which is the system we use in line with our positive relationships policy. Please do watch out for this communication as it will enable us to strengthen the communications between us and allow you to see the points your children are earning each day.

Finally, I am thrilled to share the news that our year 1 teachers will both welcome new babies into their families in the next academic year. Both Mrs Williams and Mrs Broadley are expecting new babies and the whole school family are thrilled for them. Mrs Broadley will finish with us in the summer to take her maternity leave and Mrs Williams will finish early in the next academic year to also take her maternity leave. Please do join us as we wish them a happy and fun filled maternity with their gorgeous bundles of joy. We are now actively recruiting for a teacher to cover this maternity leave to ensure the high standards of our year 1 teachers are maintained in their absence.

Have a wonderful weekend and enjoy the sun!

NEW SCHOOL APP - SCHOOL SPIDER

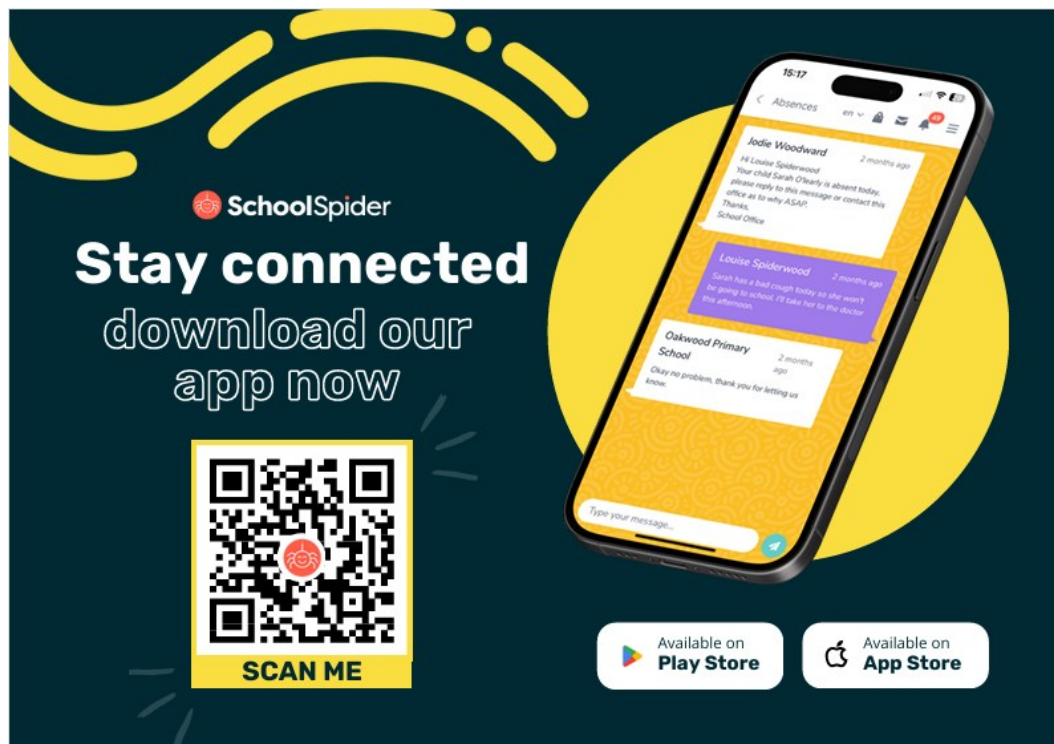

We wish to inform you that the school will be moving to a new communication platform, School Spider.

All school communications will be issued via this system, and we kindly ask that you download the **School Spider** app to ensure you continue to receive important information regarding your child.

The app can be downloaded in advance from the **Apple App Store** or **Google Play Store** by searching **School Spider Parents**.

You will shortly receive an email invitation to set up your **School Spider** account.

Please note: All communication will be sent through this platform from **Wednesday 29th April** so it is important you have this app downloaded to ensure you receive all communications going forward.

The graphic features a dark green background with yellow wavy lines at the top. On the left, the School Spider logo is above the text "Stay connected download our app now". Below this is a QR code with a "SCAN ME" button underneath. On the right, a smartphone displays a message thread from the app. The messages are from Jodie Woodward, Louise Spiderwood, and Oakwood Primary School. At the bottom right, there are two buttons: "Available on Play Store" and "Available on App Store".

Ninja / Accelerated Readers

Our Ninja Readers have really been doing really well. This scheme is always extremely successful and hopefully we will beat the scores of previous years.

Each time your child reads at home please ensure you sign their book. Once they have read 25 times they will get their first colour 'belt' - White. When they have read another 25 times (and all signed for) they will get their next colour "belt" - Yellow. Each time they read for another 25 times they will achieve their next colour 'Belt', all the way through the colours up to black and then move onto Dans. But please make sure your child's book is signed by an adult or their reading will not count towards their certificate.

Well done to all our Ninja Readers this week:
