Mission Statement – Strategic Direction

At Cranton Church of England Primary School we serve the community by providing a happy, secure and caring Christian environment where all are valued and respected. We believe in the uniqueness of the individual and recognise the diversity and range of contributions that each can make.

We aim to provide for the spiritual, emotional, physical, mental and social development of the whole child; this included a growth in knowledge and understanding of self, and the world in which we live. We seek to foster self-esteem and a sense of responsibility to others and the world around.

In all that we do we endeavour to provide a high quality of education within a creative, stimulating, encouraging and mutually supportive environment where children are enabled to develop the skills they require for living.

CRONTON CHURCH OF ENGLAND PRIMARY SCHOOL

1. Statement

Under the Equality Act 2010 schools should have an Accessibility Plan. The Equality Act 2010 replaced all existing equality legislation, including the Disability Discrimination Act. The effect of the law is the same as in the past, meaning that "schools cannot unlawfully discriminate against pupils because of sex, race, disability, religion or belief and sexual orientation". According to the Equality Act 2010 a person has a disability if:

- he or she has a physical or mental impairment, and
- the impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

Here at Cronton CofE Primary School we are aware that we have a general duty under the Equality Act 2010 to:

- Eliminate discrimination, harassment, victimization and any other conduct that is prohibited by or under this Act
- Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it
- Foster good relations between persons who share a protected characteristic and persons who do not share it

The Accessibility Plan is listed as a statutory document of the Department for Education's guidance on statutory policies for schools. The Plan must be reviewed every three years and approved by the Governing Body. The review process can be delegated to a committee of the Governing Body, an individual or the Head. At Cronton CofE the plan will be monitored by the Head Teacher and evaluated by the Governing Body.

We are committed to providing a fully accessible environment which values and includes all pupils, staff, parents and visitors regardless of their age, education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion.

The Accessibility Plan will contain relevant actions to:

- Improve awareness of equality and inclusion.
- Improve access to the physical environment of the school. This covers improvements to the physical environment of the school and physical aids to access education.
- Increase access to the curriculum for pupils with a disability, expanding the curriculum as necessary to ensure that pupils with a disability are as equally prepared for life as are the able-bodied pupils (we understand that if a school fails to do this they are in breach of the Equality Act 2010). This covers teaching and learning and the wider curriculum of the school such as participation in after school clubs, leisure and cultural activities or school visits. It also covers the provision of specialist aids and equipment, which may assist these pupils in accessing the curriculum.

CRONTON CHURCH OF ENGLAND PRIMARY SCHOOL

- Improve the delivery of written information to pupils, staff, parents and visitors with disabilities. Examples might include handouts, timetables, textbooks and information about the school and school events. The information should be made available in various preferred formats within a reasonable time frame.

School Planning Documents & Policies

Cronton CofE's Accessibility Plan will be used to advise other school planning documents and policies and will be reported upon annually in respect of progress and outcomes.

Curriculum - Environment

Cronton CofE is committed to providing an environment that enables full curriculum access that values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support and awareness within the school. This includes reviewing access to on-line resources during the COVID-19 pandemic so that no child is left behind (availability of technology and internet access at home).

Publication

The Accessibility Plan will be published on the school website.

Monitoring

The Accessibility Plan will be monitored through the Full Governing Body.

Ofsted

The Accessibility Plan may be monitored by Ofsted during inspection processes in relation to Schedule 10 of the Equality Act 2010.

2. Aims and Objectives

Our Aims are:

- **Improve and maintain access to the physical environment**
- **Increase access to the curriculum for pupils with a disability**
- **Improve the delivery of written information to pupils**
- **Improve access to remote learning to support the needs of all pupils**

Our objectives are detailed in the Action Plan.

3. Current good practice

We aim to ask about any disability or health condition in early communications with new parents and carers. For parents and carers of children already at the school, we collect information on disability as part of a survey of parents' views and will further survey parents in relation to available technology at home for those pupils unable to attend school.

4. Access Audit

The school is a single storey building with average-sized corridors and several access points from outside.

On-site car parking for staff and visitors includes one dedicated disabled parking bay.

Most entrances to the school are either flat or ramped some of which have double doors fitted to ease access. The main entrance features a secure lobby and has been fitted with a low reception hatch, this being fully accessible to wheelchair users. A disabled toilet facility is available, outside the Hall. The toilet is fitted with a handrail and a pull emergency cord.

School will review accessibility in relation to home learning. The school will ensure all pupils have access to the technology they need to support them when they are unable to attend school, eg COVID-19 pandemic.

5. Management, coordination and implementation

- We will consult with experts when new situations regarding pupils with disabilities are experienced.
- The Governors and Senior Leadership Team will work closely with the Liverpool Diocesan Schools Trust central services, Local Authority and Diocese.
