

Christian Value - Our Christian Value this half term is Thankfulness.

Dear Parents,

This week we are thrilled to share the allocation of each teacher next academic year, transition meetings and work has already begun in school, and will continue, over the next few weeks to ensure a smooth and successful transition for all our children.

Nursery - Miss Gill

Reception - Mrs Durr

Year 1 - Miss Clitheroe

Year 2 - Miss Ellis

Year 3 - Mr Calrow

Year 4 - Miss Tilley

Year 5 - Miss Egan

Year 6 - Mr Tunstall

Additionally, management, PPA and SENCo time will be covered by our highly experienced teaching assistants; Mrs Gillies, Miss Unsworth and Mrs Wilson. Mrs Kimmins will continue to provide our high-quality Spanish curriculum and Mr Doyle will continue to lead PE and sport.

Over the next few weeks we will arrange transition sessions for all children and further information on the allocation of our teaching assistants. If you do have any questions regarding next year please do not hesitate to reach out.

As a school, we are always committed to the wellbeing of both our children and our staff, and to making sure that communication with families is handled in a respectful and confidential way. We kindly ask that teachers are not approached at the end of the school day with complex or sensitive queries, as this is a key time for ensuring all children leave safely. Instead, please contact the school via the enquiries inbox so that we can arrange a private meeting where we can give your concerns the time and attention they deserve. We aim to respond to messages within 72 hours. We also want to reassure you that we will continue to explore individual adaptations and support for specific children and families, working together to meet needs wherever we can. Thank you for your understanding and support in this matter as we grow together as a whole school community.

Have a lovely weekend

Help Us Grow Our Outdoor Provision

We are excited to be developing our outdoor area for our [2-3 year olds](#) to create a richer, more engaging environment where children can explore, learn and thrive through play.

 **We have exciting ideas planned — please see our outdoor provision plan below!** 

To help bring this vision to life, we are hoping to raise approximately **£5,000** through fundraising, donations and community support.

How Families Can Help

We would love to involve our wonderful families in helping us make this project possible.

If you are able to support us through:

- Fundraising ideas or events
- Donations of resources or materials
- Contacts with local businesses or companies who may be willing to sponsor or donate
...please speak to a member of staff.

Every contribution, big or small, will help us create an amazing outdoor space for our children to enjoy.

Thank you for your continued support!

 **We've already received two generous donations, [taking us to £300 towards our goal so far!](#)**

A huge thank you to [JEM Flooring](#) and [Mrs Goodwin \(Mrs Durr's mum\)](#) for your kind support and donations.
