

Christian Value - Our Christian Value this half term is Thankfulness.

Dear Parents and Carers,

As we approach the end of term, I want to take a moment to reflect on what an honour it has been to serve the community, parents and children of such a wonderful school. Cronon is a special place, and it continues to be a privilege to lead a community built on kindness, celebration and shared purpose.

Our recent Magic Keys and Best Awards celebrations were a true highlight. These events matter deeply to our children; they recognise effort, character and achievement in a way that lifts the whole school. Thank you to all parents who attended and supported these occasions. Next year, we will thread these celebrations throughout the year to make the experience even richer and more meaningful for every child.

All end-of-year reports will be sent home on Monday. They are a genuine celebration of the achievements of each and every child, capturing their progress, strengths, and the unique contributions they make to our school family. Books will also come home tonight, please enjoy them as family and really reflect on what your children have achieved this year, we could not be prouder. This year the school is celebrating above average results in national data and this is down to their hard work and determination, thank you for supporting us to ensure each and every child reaches their true potential.

I would also like to thank you the staff of Cronon for an incredible year, they work tirelessly to ensure every child reaches their true potential. They inspire me every day and make Cronon a truly special place to be, thank you to you all!

As we move towards the summer break, I want to extend my heartfelt thanks for your continued support. We are expecting all children in school for the final two days of term, and we have some wonderful activities planned to ensure a joyful and memorable finish to the year.

Wishing you all a wonderful summer when it arrives.

Mrs Willis
Headteacher

End of Year message from the PTFA

We are overwhelmed with the support from our school community and we're pleased to share with you out year to date. We have a healthy balance and we're looking forward to meeting with Mrs Willis to discuss how we can improve the school, it's facilities and resources to benefit every child.

If you have any ideas you would like to share then please let one of the PTFA know.

Thank you all once again and have a lovely summer.

Knowsley Council and Community Partners step in to fund meals for children over the summer holidays

Knowsley Council is working with community partners to ensure that every child who receives Free School Meals can access a free lunch over the summer holidays. This is in addition to the Holiday Activity and Food programme running across the Borough.

Access to a lunch is available from the following community partners. To get help or find out more, parents or carers can contact one of the partners below. To access this support, any lunches will have to be collected. This new initiative is focussed solely on providing lunches and is not linked with activities.

Local families looking for activities as well as food, can also access the Holiday Activity and Food Programme, known as HAF. This is delivered during school holidays, and provides both free activities and a meal for children who attend. Further information is available here - [Holiday activities and food for children and young people](#).
