

Christian Value - Our Christian Value this half term is HOPE.

Dear Parents,

This week we were joined by a number of *Governors* who shared in worship and visited RE lessons across the school. The *Governors* complimented the children on their attitude to learning and their behaviour. Well done to all our children.

Over the last few weeks many children have represented our school at different sporting events including football, swimming and cross country. I am particularly pleased and proud of all the children and how well they have conducted themselves. They have been wonderful ambassadors for our school.

Thank you to Mr. Tunstall (Senior) who visited school this week and spoke to the children about his trip to the Ukraine later this year. There is more information at the end of the newsletter with details of how you and your family can get involved in supporting this appeal.

Next week we have fencing work commencing at the front of school. There are details further on in this newsletter regarding Nursery, Year 1 and Year 2 drop off and collection points. Please take care when accessing the school site from Monday.

Have a good weekend,

Mrs Thomson

Headteacher

Consultation afternoons are for any parent who wishes to discuss their child's special educational needs and or disabilities. If your child does not have SEND but this is something you are concerned about, you are invited to make an appointment.

These appointments can be either face to face or by telephone, whichever is more convenient for you.

Please send an email to the SEND email address cronton.send@ldst.org.uk to arrange an appointment with Mrs King.

Science Week

We are once again having a science week in school. This year it will be the first week back in the Spring term between Monday 6th January to Friday 10th January.

We would once again like your support. If you have any science background and would like to share this with the children in order to inspire the next generation of scientist then please contact the school office with the information. If you would like to focus your support in one class or as a whole school we would be very grateful. Miss Roberts.

Reception Door

Reception class door will close the same as the Main Entrance at 8:55am - If the door is closed, your child will need to be taken to the front of school and they will be marked in late.

Bluebirds Wrap Around Pick Up

Due to Parents Evening, on Monday 21st and Tuesday 22nd October, Bluebirds Afterschool Club will be taking place in Nursery - Please pick up from the back Nursery door. Please follow the path around to the back of the school and enter Nursery that way.

Individual Photographs

Our school photographer will be in school on Monday 4th November for individual and family photographs.

If you have younger or older children not in our school but would like them to be included in a family photo we have arranged for the photographer to start early, so parents can come into school from 8:15am.

If you have more than one child and they all attend our school or nursery, the photographer will take a family photo as well as individual photos for parents / carers to choose from but this will be done during the school day - **there is no need to arrive early for this.**

If you do not wish your child to have a photo taken please notify your child's class teacher beforehand.

School Council

Next week our children will be voting for their Class School Council Representative.

If your child would like to nominate themselves they will need to deliver a speech next week for 2 minutes to their class on why they consider themselves to be a good candidate.

Voting will then take place in classes on Thursday 24th October.

Swimming

Well done to our swimming team who were brilliant at Monday's gala. We are so proud of each of you! It was a highly competitive event and the whole competed so well against 9 other schools.

The children showed bravery, determination, and teamwork and what a team they were! A special mention to Max and Harriet for their 1st place finishes - well done on your medals.

Football

Well done to our boys' football team who played brilliantly on Tuesday. Three wins, a draw and a narrow defeat made up what was a great afternoon of football. Well done boys!

Building Work WC 21st October

To drop off / pick up at Nursery in the morning and afterschool, please walk around the school and enter through the back as the shutters will be down for the week.

Nursery lunch time pick up and drop off, this will be at the School Office for the week.

Year 1 pick up will be from the Cloakroom door opposite the Nursery Door.

Year 2 pick up will be from the back door of school (where the children enter in the morning).

30 Hour Nursery Provision

Parent in receipt of 30 hour Nursery Provision need to reconfirm their eligibility every three months. If your details have not changed you only need to tick a box on your childcare service account to confirm this. If you don't reconfirm you may lose your 30-hour childcare provision.

Christmas Card Competition -

As usual we are holding our 'Design a Christmas Card' competition. There will be one winner from each area - Foundation Stage (Reception & Nursery), Infants, Lower Juniors (Years 3 & 4) and Upper Juniors (Years 5 & 6).

These winning designs will be made into cards for our school to send out.

From these 4, one overall winning design will be used for the programme for the Ecumenical Carol Service. This child will also be invited as VIP guest at the Tree lighting Service in the village.

The children like to start their designs over the half term holiday so we will be sending out the template next week.

The closing date for the competition is Friday 8th November, so that we can make our cards ready to send out.

Please make sure your child keeps their design is within the lines of the template. Also please ensure they only use crayons, pencils or paints. Do not use any other materials. As we need to photocopy the winning designs, although they look lovely, we cannot choose any card that has things glued on or has glitter on.

All entries should be handed into your child's class Teaching Assistant on 8th November.

Please make sure your child's name and class is on the back of their entry—NOT the front of the template.

We really do want the children's work for this so please try to let them do the card themselves as far as possible.

Ninja / Accelerated Readers

Our Ninja Readers have really been doing really well. This scheme is always extremely successful and hopefully we will beat the scores of previous years.

Each time your child reads at home please ensure you sign their book. Once they have read 25 times they will get their first colour 'belt' - White. When they have read another 25 times (and all signed for) they will get their next colour "belt" - Yellow. Each time they read for another 25 times they will achieve their next colour 'Belt', all the way through the colours up to black and then move onto Dans. But please make sure your child's book is signed by an adult or their reading will not count towards their certificate.

Well done to all our Ninja Readers this weeks:

As you can see from the graph above, last weeks school attendance (excluding Nursery) was **96.3%**.

Please try to ensure your child is in school as much as is possible, unless of course they are ill. A reminder that if your child is going to be absent from school you must ring school (using Option 1) as early as possible on the first morning they are absent, and this must be followed up with an absence form available from our website explaining the absence on their return to school.

Holidays in term time will not be authorised.

Changes to the Law on School Attendance -

Please read carefully if you are planning to book term time holidays in 2024/25

The Government have introduced new laws regarding attendance from August 19th 2024.

The main changes are:

ALL term time holidays will be unauthorised, including holidays which involve a circumstance such as a wedding abroad, trip to see family etc.

In a 10 school week period, pupils who have more than 10 sessions unauthorised (a session is a morning or afternoon) may be fined, whether the absences are 5 days together or single days taken over a ten week period.

An increase in the amount of the penalty notice (fine) from £60 to £80 (if paid within 21 days) and £120 to £160 (if paid within 28 days) for the first penalty notice issued. This is fine is per parent per child. It is not per day but per period of absence (10 sessions+)

Any second penalty notice issued to the same parent for the same child within 3 years of the date the first penalty notice, will be £160 to be paid within 28 days. No discount is offered.

Any further absences will result in prosecution in the Magistrate Court for the same parent in respect of the same child within 3 years of the date of the first penalty was issued.

Cronton CofE - Ukraine Appeal – Shoeboxes

Dear Parents/Carers,

As a school seeking to make a difference to our global community, we have chosen to support children in Ukraine this Christmas. We have been paired up with a school in Chernihiv, in Northern Ukraine and will be sending collected items over to the children there. The school is called Chernihiv Collegium No. 11. Mr Tunstall's Dad, Eddie, will be driving over on November 14th. Eddie regularly delivers aid to Ukraine and has been doing so since the conflict broke out. This will be his ninth trip over.

As we have done in the past, we are aiming to fill shoeboxes with items that can provide some hope to children in an ever-toughening situation.

There are two ways that you can support our appeal:

1. Fill a shoebox

You could fill a shoebox as a family. If possible, the shoebox should be wrapped (lid and box separate) and closed with a rubber band. Please then label it to show who the contents are for (e.g. Girl 5-8 years).

If you are struggling to find a shoebox IKEA are selling them for 50p each on their website. Search: **VATTENTRÅG**

2. Donate items to be sorted in school

Items can also be donated separately. Children will be sorting any donated items into boxes in school.

Items that you could fill a shoebox with or donate:

gloves	sensory items	flannels
scarfs	wind-up torch	art supplies
hats	wrapped chocolate	stationery
socks	packeted sweets	small games
small toys	soaps	skipping rope
teddles	toilettries	colouring pads
playing cards	toothbrush/toothpaste	tape measure

Other items that are in need:

nappies
baby formula
baby food
young children's clothing/coats

When should we bring in donations?

We will be collecting shoeboxes and other items after half term and sorting them in school. They will be being picked up on Monday 11th November before being taken to Ukraine on the 14th. Therefore, we would ask that all donations and shoeboxes be **in school during the first week back after the half term break: Monday 4th November to Friday 8th November** at the very latest.

If you feel able, we would love to partner with you in this and be hope givers in those places that need it most.

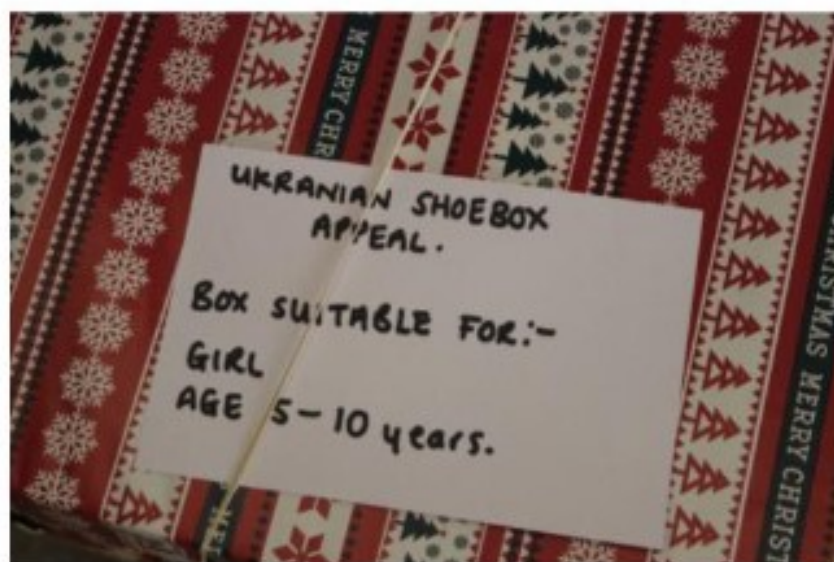

Thank you for your support and if you do have any questions, please feel free to speak to us.

Many thanks.

Mr Tunstall

John 13:34-35

"A new commandment I give to you, that you love one another; just as I have loved you, you also are to love one another. By this all people will know that you are my disciples, if you have love for one another."

iOS 18 Launch

Apple have recently released their latest operating system, iOS 18. iOS 18 offers lots of new features (some are restricted to newer phones) but one feature that you should be aware of is the ability to now lock and hide apps.

When an app is locked, Face ID, Touch ID or your passcode will be required to open it. This also means that notifications will no longer be shown for that app. Additionally, apps can now be hidden so they can only be accessed through a hidden apps folder that is also locked. This new feature illustrates the need to have regular chats with your child about what they are using their phone for.

Vault (secret) Apps

Have you heard of Vault Apps? They are basically secret apps that are concealed by looking like a normal, less conspicuous app. For example, one of these apps looks and works like a working calculator when opened, but when a passcode is entered, it reveals photographs, videos, documents and contacts. One way to prevent your child from using these apps is to ensure parental controls are set up so you can review all app purchases. You can find out more here:

- <https://www.bark.us/blog/find-hidden-apps/>
- <https://www.safes.so/blogs/vault-apps/>

Mobile phones: do you know the risks?

We know that children having access to a smartphone can expose children to risks including:

- Viewing inappropriate content
- Excessive screen time/use, which in turn can affect their mental health and sleep pattern.
- Contact from inappropriate people/grooming
- Cyberbullying
- Spending money on in-app purchases/scams

What effects do mobile phones have on children's mental health?

Compass discuss the research around this important topic, outlining the positive and negative effects that mobile phones have:

<https://www.compass-uk.org/services/compass-changing-lives/what-effects-do-mobile-phones-have-on-children-and-young-peoples-mental-health/>

EE launches Age Guidance

EE has launched age guidance for smartphone usage to improve children's digital wellbeing. In summary, they recommend that children under 11 should use non-smart devices, for children aged 11-13, they advise that if a smartphone is used, then parental controls should be enabled and access to social media restricted. Finally, for 13-16-year-olds they still recommend that parental controls are implemented and appropriate restrictions set up.

You can read the full guidance here:

<https://newsroom.ee.co.uk/ee-launches-age-guidance-for-smartphone-usage-in-drive-to-improve-childrens-digital-wellbeing/>

Could you delay when your child is given a smartphone with Smartphone Free Childhood?

The premise behind this movement is that all parents/carers of a class all agree not to give their children smartphones (therefore the level of peer pressure is reduced) for a set time or until a specific age:

<https://smartphonefreechildhood.co.uk/>

What device?

When you think it is the right time for your child to have a phone, then Which? provide an overview of some options available:

Instagram: new Teen account features

You must be over 13 years of age to set up an account.

Instagram is used to post photos and videos as well as send direct messages, make voice/video calls and send disappearing messages. Users can also upload to 'Stories' (which disappear after 24 hours), broadcast live and upload reels (short videos).

Teen accounts – NEW feature

Instagram have introduced Teen Accounts to try and create a safer experience for them. With a Teen Account, who they can contact is limited and the content they access will be set to the most restrictive setting to reduce exposure to sensitive content. If a teen would like to override any of these settings, then they will need their parent's permission by setting up parental supervision. These changes will be in place for all new users straightaway so any users that sign up that are under 16 will automatically be given a Teen Account. Existing users will be moved over to Teen Accounts over the next couple of months (in the UK).

Supervision settings – new features

Instagram already offers a supervision facility, but they have added to the features to include:

- The ability to see who your child has messaged in the past week (you will not be able to see the contents of these messages)
- The option to block your child from accessing Instagram at certain times e.g. during school or at night.
- The ability to see what topics your child has chosen to see.

Read the press release from Instagram, which outlines all the upcoming changes: <https://about.fb.com/news/2024/09/instagram-teen-accounts/>

You may not be seeing everything!

Did you know that you can hide your stories and live videos from specific people so your child could be uploading content but restricting your account from viewing it?

Safety Features

Ensure your child knows how to report posts and people, how to unfollow and block people, delete and turn off comments. View here: <https://help.instagram.com/269765046710559>

Make sure your child understands that there is a risk that content they upload can be shared with others without their permission as other users can screenshot it.
