A Privacy Notice has been provided for them in relation to the use of this information, which is also available on the school website <https://primarysite-produced.s3.amazonaws.com/cronton-church-of-england-primary-academy/UploadedDocument/9f7b8ae6b7e946bda775eda3fb4afec4/privacy-notice-pupil.pdf>

There are some things that we cannot do unless you tell us that we can. We have set these out in the tables attached. Please could you read this form very carefully and tick the appropriate options. This will let us know which of these things you are happy for us to do, and which you are not. We have included images that show examples of what you are consenting to should you select “yes” for all options in each section.

If you are not happy for us to do any of the things in the tables attached, then this will not affect your child’s place at the school. You are completely free to refuse to provide your consent to any of these things. You do not have to provide reasons for refusing your consent, but we are happy for you to give us additional information if you choose to so that we understand any concerns that you have and can take appropriate steps where necessary.

Photographs and Videos

Some of the information requiring consent (as detailed in the attached tables) includes photographs and videos of your child. We assure you that we take very seriously the issue of potential misuse of photographs and videos of our pupils - we ensure pupils are appropriately dressed, our network has access control measures in place (restricting access to authorised staff only) and all personal data is stored securely.

The school may provide photographs and videos to the media, or the school may be visited by the media who will take videos and photographs. When these have been submitted to or taken by the media the school has no control over these.

INTERNET ACCESS FOR PUPILS

I understand that access is designed for educational purposes. I recognise that while efforts will be made to monitor children's use of computers and internet, it is impossible for Cronton Church of England Primary School to continually monitor and restrict access to all controversial materials. I further acknowledge that while questionable material exists on the internet, the user must actively seek it and therefore is ultimately responsible for bringing such material into the school. I therefore do not hold the staff or the Headteacher of Cronton Church of England Primary School, responsible for any such materials acquired from the internet. I accept responsibility for setting standards for my son/daughter to follow when selecting, sharing and exploring information and media. All students are provided with the Children's ICT Acceptable Use Policy (available on the school policies section of our website) and are asked to comply with this policy each time they log in to the school system.

You have the right to withdraw your consent at any time; to do so, please confirm your request in writing to the school office either by email (crontonce@ldst.org.uk) or in writing to the school address.
