

Christian Value - Our Christian Value this half term is PEACE.

Dear Parents

I would like to thank Mrs Durr, Miss Wilson and Mr Doyle for organising our annual Sports Day this week. All the children had a great morning and it was lovely to see so many parents come and support the children. Thank you to our Friends of Cronton volunteers who also supplied the refreshments. The children had a wonderful time and I was super proud of their fantastic behaviour and great sporting attitude.

Staffing.

I would like to inform Parents that Mrs Jones will be retiring at the end of the Summer Term. Mrs Jones has worked at Cronton for 25 years and has been an extremely loyal, hard working and dedicated member of the teaching team. She has been instrumental in the continued development of Cronton as a Senior leader. I know she will be dearly missed.

In addition, Mrs Hill will also be retiring in July to spend more time with her new grand-daughter. Mrs Hill has also been a long serving member of the support team here at Cronton CE for 28 years – especially helping our children with their swimming development. Again, we will all miss Mrs Hill

Be Seen Award

We are excited to inform you that Cronton C of E has been specially selected to be the first school in the UK to take part in the Be Seen Award - a new national accreditation programme launching in September 2025.

The Be Seen Award is an inspiring initiative created by Caring Matters Now, a UK charity dedicated to supporting individuals with visible differences. This award aims to empower schools to celebrate visible differences and embrace a clear message: to love the skin you are in! Through interactive activities aligned with the PSHE curriculum, pupils will develop empathy, kindness, and a stronger sense of inclusivity, helping to ensure that every child feels seen, valued, and empowered.

On Wednesday 2nd July, we are pleased to welcome the founder and CEO of Caring Matters Now, Jodi Whitehouse, to our school to mark the launch of the Be Seen Award and share inspiring activities and materials with pupils and teachers.

A Photo permission letter has been emailed to all Reception - Y6 parents, if we can ask these be completed and returned to us as soon as possible, no later than Friday 27th June. (Please check you junk inbox also).

Year 6 Production

For the KS2 production of 'Ye Ha!', Y3, Y4 and Y5 children will form part of our brilliant choir. The choir are very important - they provide the solid foundation for a great show. Each year, Y3, Y4 and Y5 support the Y6 children and help them make the show one to remember!

This year the choir will all be citizens of Splodge City - the strangest town in the Wild West! We would ask that your child come in a checked shirt or shirt, as well as some shorts/skirt/leggings as it can get very warm in the hall.

The dress rehearsal is the afternoon of Wednesday 9th July, so we will need the costumes in for then please.

Tickets will go on sale soon. Please keep an eye out in the newsletter for details.

Classroom Space within Cronton

We currently have the following spaces within our School if you know of anyone looking, please advise them to contact School directly:

Year 1 - x2 places available

We also currently have a 1 space for the new Reception intake for September 2025. If you know of anyone, please refer them to their Local Authority to apply.

Magic Keys Books

There appears to be some confusion over the Magic Keys Experiences and which experiences the children are required to do at home and which will be covered in school.

Each class Y1 - Y6 has a list of experiences that the children can complete over the year. The majority of these are completed in school. The final three (ones highlighted yellow) are the only ones that are required to be done at home.

These can be evidenced by just signing and dating next to the statement, by photographs or even pictures drawn and coloured by the children with a sentence. It is entirely up to you at home.

We hope this clears up any misunderstandings.

When they have read another 25 times (and all signed for) they will get their next colour "belt" - Yellow. Each time they read for another 25 times they will achieve their next colour 'Belt', all the way through the colours up to black and then move onto Dans. Knowsley Council

June 2025

Dear Parent/Carer

Measles is spreading in Knowsley

[Measles is spreading in Knowsley. Please read this information on how to protect your family.](#)

How serious is measles?

Measles can be a serious illness, and most people who catch measles become very unwell, with many people admitted to hospital. Babies and young children, pregnant women, and people with weakened immunity are at increased risk of complications. In rare cases, people infected with measles will die.

Measles is very infectious, and spreads easily. Spending 15 minutes or more with someone who has measles is enough to catch the infection. A child who has measles will infect nearly all of the unprotected children they come into contact with. This means that if an unvaccinated child spends time with someone who has measles, it is highly likely that they will catch measles.

Although most children who live in Knowsley have been vaccinated against measles, there are still many children who have not had two doses of MMR vaccine. This means that many children are at risk from measles.

What are the symptoms of measles? What do I need to look out for?

Measles usually starts with runny nose, sneezing and coughing, and a high temperature. People may have conjunctivitis or red, sore eyes.

The measles rash usually appears a few days later. The rash starts on the face and behind the ears before spreading to the rest of the body. The rash looks like red-brown spots which may join together to form blotchy patches. People of any age can catch measles if they have not been vaccinated.

Knowsley Council Nutgrove Villa Westmorland Road Huyton Knowsley L36 6GA
Telephone: 0151 489 6000 www.knowsley.gov.uk

If you or your child has a rash which could be measles, they must not attend school, and you must contact your GP as soon as possible.

It is really important to phone ahead, and not just turn up at a GP practice, A&E or walk in centre, because you will need to wait in a separate room.

People with measles are infectious for four days before the rash appears, and for four days afterwards. People with measles must stay at home during this period, and not go to school or work.

How can I protect my child against measles?

Vaccination is the best way to protect children and adults from measles. MMR vaccination has been proven to be safe, with millions of doses given in the UK. It is really important that children receive two doses of MMR vaccine to ensure that they are protected.

Please check your child's red book, or contact your GP if you are unsure whether your child has had their MMR vaccinations.

My child has not had two doses of MMR vaccine – what do I need to do now?

It is really important that anyone who has not had two doses of MMR vaccination contacts their GP practice as soon as possible to get vaccinated. Children and adults of any age can have free MMR vaccinations. If you have any questions about MMR, the nurse will be happy to answer these at your appointment before your child has the vaccine.

You can also phone the School Aged Immunisations Service on 0151 351 8805, and they can vaccinate your child.

The MMR vaccination is also available on the Living Well bus. Information about when and where the Living Well Bus will be can be found on www.knowsleynews.co.uk (search Living Well Bus).

What will happen if someone at my child's school or nursery catches measles?

If someone at your child's school catches measles, the Headteacher will work closely with the UK Health Security Agency (UKHSA). You will receive a letter with further information about what is happening.

Where to find out more advice and information

If you would like more information, visit www.nhs.uk/conditions/measles - this website has a picture of the measles rash.
