

Christian Value - Our Christian Value this half term is Respect.

Dear Parents

I would like to congratulate all our Year 6 children who completed their SATS this week. They all approached their tests in a very sensible manner and have conducted themselves extremely well. We know they have done their very best and we are all very proud of them.

A huge thank you to Mr Tunstall and Mrs Gillies and all the other members of staff for all their hard work and commitment before and during this week, including preparing all the breakfasts - the children really enjoyed this, being a fabulous, calming start to the day for them!

A big thank you to all our children in other classes for keeping so quiet and to our parents for your support, and to all our invigilators who came in to support the administration of the tests. What a TEAM effort! It was certainly fun to be able to do the Conga around school to celebrate!

Well done to all the children who took part in Quidditch today - I hope you found the event fun - it looked like you were really enjoying yourselves!

It was lovely to meet our new reception parents on Tuesday this week. We hope you found the information useful as your child starts Reception in September.

Next Tuesday 20th May 4-6pm is our Open Evening for Nursery. We have just a few full and part time places left for September. If you know of any families looking for a Nursery place please ask them to get in touch asap so we can inform them of how to apply - alternatively, come along to the Open Evening.

Have a lovely weekend.

Ofsted March 2024 - Outstanding

- "Pupils thoroughly enjoy their time at this school. They are happy, enthusiastic and highly eager to learn."
- "Reading sits at the heart of the school's curriculum. From the minute children enter the early years, they are exposed to a wide range of books and authors. This supports children to quickly begin to develop a love of reading and books."
- "Children in the early years benefit from a highly nurturing environment and quickly settle into routines. Adults effectively model the behaviours that they expect. As a result, pupils' behaviour throughout school is exemplary."
- "Provision for pupils' personal development is exceptional."
- "Pupils, including those with special educational needs and/or disabilities (SEND), make excellent progress through the school's highly engaging and ambitious curriculum."
